Thank you for your interest in fundraising with Rogers Cinema Theatres! When your group participates in Rogers Cinema fundraising, you'll not only be helping yourselves, but your community as well! Our program is open to all non-profit organizations and includes discounted movie tickets and gift cards which can be used at any of our 7 locations across Wisconsin and Michigan.

Sell Premium Discount movie tickets to your friends and family for just \$8.25 each while earning 15% profit for your organization. Each of these tickets are valid for any movie, any time* To sweeten the deal, we'll even give you one FREE \$3 "Reel Deal" Cash voucher with every two Discount tickets purchased. That'll satisfy your customers' hunger AND their wallets!

Also included in the program are gift cards in \$10 or \$25 values. These work just like cash at any Rogers Cinema location. Your group will earn the same 15% for each gift card sold, so stock up for friends, family, or yourself!

Finally, your sellers deserve the red carpet treatment, so we're going to give it to them! For each seller who reaches \$300 in sales, we'll give them two FREE movie passes and one \$10 gift card! Let us help motivate your members to help your group reach its goals. If you're ready to start making money with movies, contact us today to get started!

* Some restrictions apply. 3-D Surcharges will apply when applicable. Restrictions include 'Alt Events,' which are non-feature films such as MET Opera, or live/encore events.

Enjoy the Magic of the Movies!
